

EDUCATION

Degreee	Institute	CGPA/%	Year
B.Tech., Civil Engineering	Punjab Engineering College, Chandigarh	8.24	2023-2027
Senior Secondary	Sunflower School	87%	2022
Secondary	DAV Public School	95.2%	2020

SKILLS

- **Programming & ML Libraries**: Python (Pandas, Numpy, Matplotlib, Seaborn, Scikit Learn, TensorFlow), SQL
- **Tools**: MS Excel, Jupyter Notebook, Git, Google Colab, VsCode, AutoCAD, STAAD Pro
- **Data Analysis**: Data Cleaning, Exploratory Data Analysis, Data Visualization, Basic Statistics
- **Soft Skills**: Leadership, Problem Solving, Attention to Detail, Communication, Decision Making, Team Collaboration

PROJECTS

- **Multi-Model Analysis of UPI’s role through OLS and ARDL Frameworks** April, 2024
Analyzed the growth and impact of UPI in India using statistical regression models 
 - Tools: Python, Pandas, Matplotlib, Statsmodels, ARDL, OLS Regression
 - Developed a multi-model pipeline using OLS and ARDL models for macroeconomical analysis
 - Implemented Python-based EDA and time series transformations to identify trends
 - Created regression visualizations to show UPI’s effect on GDP and inflation
 - Applied statistical methods to forecast volume and analyze lag impact of policies
- **Swing, Spin, Stats: A Data Dive into ICC World Cup 2023** July, 2025
Analyzed CWC 2023 data and built interactive dashboards using Python and Power BI. 
 - Tools: Python, Pandas, Matplotlib, Seaborn, Power BI, Excel, GitHub
 - Developed an end-to-end data analytics solution to visualize match outcomes and performance metrics.
 - Created interactive dashboards to track top run-scorers, wickets, and team statistics.
 - Applied data cleaning, transformation, and EDA techniques to extract actionable insights.

POSITIONS OF RESPONSIBILITY

- **Hostel Senior** : Shivalik Hostel, Kurukshetra Hostel 2023- Present
- **Position B** Club/ Society/ Cell, NITP Month Year

CERTIFICATIONS

- **Issuing Organization 1**, [Certification 1](#) April, 2024
- **Issuing Organization 2**, [Certification 2](#) Month Year
